## Saisystems International Named a Marcum Tech Top 40 Company

SHELTON, Conn. (September 20, 2021) For the third consecutive year, Saisystems International Inc. was honored as a 2021 Marcum Tech Top 40 company by the Connecticut Technology Council.

The Marcum Tech Top 40 is the premier awards program recognizing Connecticut's fastest growing technology companies. The awards recognize technology leaders in six industry sectors that reflect the state's technology landscape: Advanced Manufacturing; Energy and Environmental; Life Sciences; New Media, Internet, and Telecom; IT Services; and Software. This will mark the third time Saisystems International was recognized in the IT Services category, having achieved the honor consecutively since 2019.

Chirag Modi, Senior Vice President, Technology Services commented, "The team and I are beyond excited to be recognized by Marcum and the CT Technology Council three times in a row. This is great news, and an encouragement to our team consistently deliver value to our clients through innovation, business knowledge, and application of transformative technologies. As a team we are truly driven by ideas and powered by technology."

Saisystems International Inc. is a full-service technology and health company dedicated to optimizing business processes and delivering real value to our clients. For 30 years, Saisystems International Inc. has committed to its core values of Respect, Excellence, Seva, Unity and Dharma, and continued to grow sustainably through open communication, stewardship, and the goal of providing the best for respective customers.

"Our teams consistently strive to deliver business solutions to our clients that exceed their expectations and at the heart of that success is not only innovation but staying abreast of customer challenges. I am very proud of the men and women, whose efforts are being honored with this award," shared Manoj Wadhvani, President of Saisystems International. "It is their dedication and remaining true to Saisystems' core values that makes our success possible."

The Connecticut Technology Council (CTC) is the oldest and only Connecticut business association expressly serving the needs of enterprises working in technology and innovation.
